

Everstead TC-W3 Premium 2-Cycle Engine Oil

Product Data Sheet (PDS)

Product Description

Everstead TC-W3 Premium 2-Cycle Engine Oil is a high-quality formulation designed for reliable performance in a wide range of two-cycle engines, including outboard motors, motorcycles, snowmobiles, chain saws, and garden equipment. It helps prevent ring sticking, reduces spark plug fouling, and keeps engines clean under varied operating conditions.

Applications

Recommended for use in:

- Oil-injected or fuel/oil-lubricated 2-cycle engines
- Outboard motors, motorcycles, snowmobiles, and garden equipment
- Engines requiring API TC, JASO FB, or NMMA TC-W3 performance levels

Benefits

- Multi-application performance across marine and land-based 2-cycle engines
- Formulated to prevent ring sticking and reduce deposits
- Minimizes spark plug fouling for smoother operation
- Provides excellent wear and corrosion protection
- Licensed by the National Marine Manufacturers Association (NMMA)

Typical Properties

Property	Value
Viscosity, cSt @ 40°C	51.58
Viscosity, cSt @ 100°C	7.686
Viscosity Index	114
Pour Point, °F	0
Specific Gravity @ 60°F	0.8696
API Gravity	31.22
Sulfated Ash, wt%	0.04

Compliance & Packaging

Everstead TC-W3 Premium 2-Cycle Engine Oil meets or exceeds API TC, JASO FB, and NMMA TC-W3 requirements. Available in quarts, gallons, pails, and drums.
